

'Seeing under water'

OCEAN OUTLOOK

Save the Date:
19-21 April 2017

Ocean Outlook is a project supported by the Norwegian Centre for International Cooperation in Education that aims to strengthen the transatlantic bonds between marine research and educational centers in Bergen, Norway (the University of Bergen, the Marine Research Institute, the Nansen Center, Uni Research, Nofima, CMR, Nifes and the University Hospital) and in the US (Woods Hole Oceanographic Institution and Massachusetts Institute of Technology).

The focal point of the project is the annual Ocean Outlook conference, which is held alternately in Bergen and in Woods Hole.

In 2017, the Ocean Outlook (OO17) conference will be held in Norway, Bergen 19-21 April. We look forward to see you so please Save the Date!
