

**IMBeR Synthesis and Future Planning Conference (Future Oceans 3)
Version 31 March 2025**

Day 1 - Tuesday, 13 May 2025

Opening Session

| | | |
|----------------------|------------------------|-----------------------|
| 08:30 - 08:40 | IMBeR SSC Chair | Moderator: TBD |
|----------------------|------------------------|-----------------------|

IMBeR Looking Inward: Synthesis of the past 10-year achievements (2016-2025)

| | |
|--|--|
| Grand Challenge I - Understanding multi-stressors of marine environments and achievements and challenges from ecosystem resilience and environmental management | Convenor: Nina Bednaršek Jacob Carstensen |
|--|--|

| | |
|----------------------|--|
| 08:40 - 09:40 | 1 hour, TBD by the Convenor <i>*Including GC Introduction by Champion (5 mins)</i> |
|----------------------|--|

| | |
|----------------------|------------------|
| 09:40 - 10:00 | TEA BREAK |
|----------------------|------------------|

| | |
|--|-------------------------------------|
| Grand Challenge II - Achievements from IMBeR Grand Challenge 2 and opportunities for IMBeR 3.0: from scenarios, predictions and projections to actions, solutions and interventions | Convenor: Rowan Trebilco |
|--|-------------------------------------|

| | |
|----------------------|--|
| 10:00 - 11:00 | 1 hour, TBD by the Convenor <i>*Including GC Introduction by Champion (5 mins)</i> |
|----------------------|--|

| | |
|--|-------------------------------------|
| Grand Challenge III - Blue Transformations: Governance for the ocean-climate-biodiversity nexus | Convenor: Derek Armitage |
|--|-------------------------------------|

| | |
|----------------------|--|
| 11:00 - 12:00 | 1 hour, TBD by the Convenor <i>*Including GC Introduction by Champion (5 mins)</i> |
|----------------------|--|

| | |
|----------------------|--------------|
| 12:00 - 13:30 | LUNCH |
|----------------------|--------------|

| | |
|----------------------------|-----------------------|
| Regional Programmes | Moderator: TBD |
|----------------------------|-----------------------|

| | |
|----------------------|--|
| 13:30 - 13:45 | SIBER and the Second International Indian Ocean Expedition (Online) Raleigh R. Hood (UTC-4: 01:30-01:45, Michael Landry on-site), University of Maryland Center for Environmental Science |
|----------------------|--|

| | |
|----------------------|--|
| 13:45 - 14:00 | CLIOTOP - Two decades of research under CLIOTOP: IMBeR's Regional Program on Climate Impacts on Oceanic Top Predators Heidi Pethybridge, CSIRO |
|----------------------|--|

| | |
|----------------------|--|
| 14:00 - 14:15 | ICED - TBD (Online) Emma Cavan (UTC+1: 07:00-07:15), Imperial College London |
|----------------------|--|

| | |
|----------------------|--------------------|
| 14:15 - 14:30 | ESSAS - TBD |
|----------------------|--------------------|

| | |
|----------------------|---|
| 14:30 - 14:45 | Discussion - Regional Programmes |
|----------------------|---|

| | |
|-----------------------|-----------------------|
| Working Groups | Moderator: TBD |
|-----------------------|-----------------------|

| | |
|----------------------|--|
| 14:45 - 15:00 | CMWG - Ecosystem health of continental marginal seas under the interaction between ecosystem and society Su Mei Liu, Ocean University of China |
|----------------------|--|

| | |
|----------------------|--|
| 15:00 - 15:15 | HDWG - Collaborative Pathways to Bridge Oceans and Societies: The IMBeR Human Dimensions Working Group (2016-2025) (Online) Annette Breckwoldt (UTC+2: 09:00-09:15), Leibniz Centre for Tropical Marine Research (ZMT) |
|----------------------|--|

| | |
|----------------------|---|
| 15:15 - 15:30 | SIOA - The SOLAS-IMBER Ocean Acidification Working Group - 15 years of ocean acidification science (Online) Sam Dupont (UTC+2: 09:15-09:30), University of Gothenburg |
|----------------------|---|

| | |
|----------------------|--|
| 15:30 - 15:45 | Development of the IMBeR OCEAN100 Team and the Action Plan for the Ocean (Online) Eugene Murphy (UTC+1: 08:30-08:45), British Antarctic Survey |
|----------------------|--|

| | |
|----------------------|------------------------------------|
| 15:45 - 16:00 | Discussion - Working Groups |
|----------------------|------------------------------------|

| | |
|----------------------|------------------|
| 16:00 - 16:20 | TEA BREAK |
|----------------------|------------------|

| | |
|--|-----------------------|
| Endorsed Projects and Study Groups (non-funded) | Moderator: TBD |
|--|-----------------------|

| | |
|----------------------|--|
| 16:20 - 16:35 | CREPSUM - Science and educational networking for sustainable use of marine ecosystem services in the Southeast Asia Hiroaki Saito, The University of Tokyo |
|----------------------|--|

| | |
|----------------------|---|
| 16:35 - 16:50 | IPR - Towards the New Era of ocean science for the sustainable Indo-Pacific Region Shan Jiang, East China Normal University |
|----------------------|---|

| | |
|----------------------|---|
| 16:50 - 17:05 | OCPC - Key activities, successes and future outlook of the OC-PC Study Group Young-Je Park, TelePix Co., Ltd. |
|----------------------|---|

| | |
|----------------------|--|
| 17:05 - 17:20 | Discussion - Endorsed Projects and Study Groups |
|----------------------|--|

Poster Session

| | |
|----------------------|-----------------------|
| 18:00 - 20:00 | Poster Session |
|----------------------|-----------------------|

Each presentation is limited to 15 minutes. All Q&A will take place during the discussion session.
