

Poster Presentation Guidelines

The poster presentation includes both onsite and online sessions. Please refer to the following guidelines.

Onsite Poster Guidelines

- Poster Session Time: 13 May 2025 (Tuesday), 18:00 - 20:00 (UTC+8).
- Presenter Availability: Please be present at your poster during the session to introduce your work and engage with the audience.
- Poster Display Location: 3rd floor of conference venue. Each poster will be assigned a location in the poster hall based on its presentation ID, which will be printed on the display board.

- Poster Size and Orientation: Posters should not exceed 1189 mm (height) × 841 mm (width) (A0 size), and should be in portrait orientation.
- Setup Time: Presenters are advised to set up their posters after onsite registration at the conference venue.
- Removal Deadline: All posters should be removed by 16:00 on 15 May 2025. The organizers are not responsible for posters left behind.

Online Poster Guidelines

Please upload your poster and the following materials to the Whova platform. (A user guide for the Whova app will be sent to registered participants shortly.)

- A vertical poster (1 page, PDF format)
- Post highlights / Slogan, Abstract / Caption
- Cover photo, Personal website, E-mail address and other contacts
- Recorded Video (5 minutes and 50 MB max) summarizing your poster (*optional)

Speed Talk Guidelines

- Each speed talk should be 2 - 3 minutes long.
- Presentations should not exceed 2 slides (PPT format).
- Presenters should also participate in the onsite poster session on the evening of 13 May 2025 (UTC+8) and the virtual poster session on the Whova platform.
